

Josh Thomas - Why do I Love God?

tom:

'Cause when He loves me
 I feel like I'm floating
 When He calls me chosen
 I feel like somebody with purpose
 He changed me, I'm a new creation
 He will always be my favorite form of loving

I don't wanna live the way they do
 Life is so much better 'cause of You
 Even when I'm feeling bad and bruised
 You give me strength to make it through

'Cause when He loves me
 I feel like I'm floating
 When He calls me chosen
 I feel like somebody with purpose
 He changed me, I'm a new creation

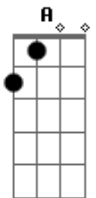

He will always be my favorite form of loving

When I trip and stumble through the night
 You pick me up and hold me tight
 Even when I feel no hope inside
 Lord, You bring me back to life

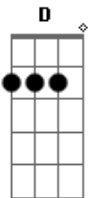

'Cause when He loves me
 I feel like I'm floating
 When He calls me chosen
 I feel like somebody with purpose
 He changed me, I'm a new creation
 He will always be my favorite form of loving

'Cause when He loves me
 I feel like I'm floating
 When He calls me chosen
 I feel like somebody with purpose
 He changed me, I'm a new creation
 He will always be my favorite form of loving
