

Joshua Bassett - I Think I Kinda, You Know

tom:

G

So much has happened, think of what we've done
Em In the time that the Earth has traveled 'round the Sun
G Winter, Spring, Summer and we're back to Fall
Em We've been together hand-in-hand through it all
G It's just three little words, yeah, it's not a big deal
Em It's not like I can help feelin' all that I feel
G And by now, I'm sure you're thinkin' it's so obvious
Em But just in case it's not, what I'm sayin' is this, what I'm sayin' is this
