Intro: **Aadd9** **G** **A** **Dadd9**

[Primeira Parte]

**Aadd9**  
Maybe this time, we do it for real

Nothin' to lose, why don't we try?

**G** Life doesn't wait and it kinda feels like the last chance to get it right

**Aadd9**  
Roll of the dice, shot in the dark

Everything's changin', can't you tell?

**G** It's all about us, so let's just keep this to ourselves

[Pré-Refrão]

**D**  
The future's gon' do what it wants to

But maybe this time

[Refrão]

**Aadd9**  
Let's live in the moment, lettin' go

But also holdin' onto hope that it'll all work out fine

For you and I

Maybe this, maybe this time

Wherever we're headed, I don't wanna miss a second

If th? lesson is to enjoy the rid?, I'll try

Maybe this, maybe this time

[Segunda Parte]

**Aadd9**  
Well, maybe this time is all that we get

But we've still got lots to figure out (Oh)

**G** I love the control, what happens next?

I'll give you all my right now

**Aadd9**  
Don't look back, just pull me closer

**G** Hands up on this rollercoaster

[Refrão]

**Aadd9**  
Let's live in the moment, lettin' go

But also holdin' onto hope that it'll all work out fine

For you and I

Maybe this, maybe this time

Wherever we're headed, I don't wanna miss a second

If th? lesson is to enjoy the rid?, I'll try

Maybe this, maybe this time

**Aadd9**  
(Ooh-ooh) Nothin' certain about this journey we're on (Ooh-ooh)

But beyond the horizon waits a new dawn  
Oh, mm

Maybe it's time

[Refrão]

Let's live in the moment, lettin' go

But also holdin' onto hope that it'll all work out fine

If th? lesson is to enjoy the rid?, I'll try

Maybe this, maybe this time
