

Joshua Bassett - Sad Songs In a Hotel Room

tom:

D

[Primeira Parte]

I'm wearin' a robe
 The same ones we left on the hotel floor
 Just one year ago
 "Do not disturb" hangin' on the door

[Pré-Refrão]

How the hell we'd end up, where we did?
 Don't you think it's messed up? It all went to shit
 It's kind of depressing, bein' here alone
 I miss you so I pick up the phone

[Refrão]

And I order room service for one
 Cham-pagne mini-bar bottles are done
 I've got a balcony room with the view
 Vel-vet curtains are closed
 I'm singin' sad songs in a hotel room
 Mm-hmm, mm-hmm
 Where I once held you
 I'm singin' sad songs in a hotel room
 Mm-hmm, mm-hmm

[Segunda Parte]

The neighbors are knockin', they just wanna sleep
 It's 3 a.m. while my guitar gently weeps
 I flip through these old magazines
 Dream destinations, we promised we'd see

Oh, oh-oh

[Pré-Refrão]

How the hell we'd end up, where we did?
 Then one year, it all went to shit

[Refrão]

So I order room service for one
 Champagne mini-bar bottles are done
 I've got a balcony room with the view
 Velvet curtains are closed
 I'm singin' sad songs in a hotel room
 Ooh, ooh-oo, ooh
 Where I once held you
 I'm singin' sad songs in a hotel room
 Mm-hmm, mm-hmm, ah, ah, ah
 Oh, oh-oh, oh

[Ponte]

We checked in together, I never checked out
 Guess it's heartbreak hotel 'cause just look at us now

[Refrão]

Oh, I order room service for one
 Champagne mini bar bottles are done
 I've got a balcony room with the view
 Velvet curtains are closed
 I'm singin' sad songs in a hotel room
 Mm-hmm, mm-hmm
 Where I once held you
 I'm singin' sad songs in a hotel room
