Joshua Bassett - Used To It

```
                              tom:
                          Em

          C              G                    A
  I'm not surprised you didn't call
Cm              B                  Am
  When I almost died, you didn't care at all
C                         Bm                     A
Mama said?you?can't be mad?at who you wish somebody was
Cm              G                    Am
  Well,?i'm not surprised you didn't call
```

[Refrão]

```
                        C
I guess I got used to it
                      B
You kiss me till I forgive
                        Em
You're coverin' up all your sins
                    A
I blame it on us being kids
                    C
I guess you had me convinced
                    B
It's my mind that's playing tricks
            Em                          A
After all that you did, I won't admit it's you I miss
                    C G
I guess I got used to it
                Am
I guess I got, I guess I got used to it
```

[Segunda Parte]

```
C       G                     Am
  You told our friends you hope it hurts
Cm         G             Am
  You left me for him with one eye over your shoulder
    C                               Bm
A
You stabbed me in the back, now I'm the one who's saying sorry
again
Cm         B                   Am
  You told our friends you're glad it hurts
```

[Refrão]

```
                        C
I guess I got used to it
                      B
You kiss me 'til I forgive
                        Em
```

```
You're coverin' up all your sins
                    A
I blame it on us being kids
                    C
I guess you had me convinced
                    B
It's my mind that's playing tricks
            Em                          A
After all that you did, I won't admit it's you I miss
                    C G
I guess I got used to it
                Am
I guess I got, I guess I got
```

[Ponte]

```
G
Tommy asked why I'm not mad
            C
But you're the only love I've had
G                                         C
And I won't say what I can't take back, no
G
You did things I can't forgive
            C
And mercy don't always make sense
G                           C
And I'm the one who let you in again
                G                   A       C
I can't be mad I let you treat me like that
        Cm                  G
Oh I guess i got used to it
```

[Refrão]

```
                        C
I guess I got used to it
                      B
You kiss me 'til I forgive
                        Em
You're coverin' up all your sins
                    A
I blame it on us being kids
                    C
I guess you had me convinced
                    B
It's my mind that's playing tricks
            Em                          A
After all that you did, I won't admit it's you I miss
                    C G
I guess I got used to it
                Am
I guess I got, I guess I got used to it
