Intro: C Bb Dm7 G

Parte 1:

Summer child and Wendy, I ain't seen for a while
Since she's been working trying to catch her own style

With that I got her back my kettle's always boiling, snow is falling

Hmmm, and it's truly freezing

Denny ain't been calling, he's got a family

But outside my door it still says: "Welcome on the floor"

Refrão 1:

Life is just a big ol' game to me

I'd like to be number one on your team

Call me baby (Baby). Pick me up, baby girl (Baby)

One day someone will snatch me for their lady...

Parte 2:

The buds in their blooms now

But no letter's come from Lucy

She's deep in her book tryin' to bring down the words

But she's on my mind profusely, my sister Lucy...

The birds and the bees, they do their thing in trees

While we're hustling, bustling, Rosalind's playing the game of life

Looking in a dark ligh for the answer to the questions, like

Refrão 2:

Life is just a big ol' game to me

I'd like to be number one on your team

Call me baby (Baby). Pick me up, baby girl (Baby)

One day someone will snatch me for their lady...

I could never be you number two

'Cause when you're not there I'm sure someone's loving you

And I can't have it, I won't have it

One day someone will snatch me for their lady

Ponte:

You know sometimes... See I find myself confused
It's always "why this" and uh uh uh, "why that?"
See, have you ever heard the saying "it's just a game"?

Well, then one more why, why can't I start playing?

Refrão 3:

Call me baby (Baby). Pick me up, baby girl (Baby)

One day someone will snatch me for their lady...

I could never be you number two
