

Joss Stone - Big Ol' Game

```
Intro: C Bb Dm7 G
                                                                 One day someone will snatch me for their lady...
Parte 1:
                                                                 I could never be you number two
Summer child and Wendy, I ain't seen for a while
                                                                 'Cause when you're not there I'm sure someone's loving you
                  Dm7
                                                                              Dm7
Since she's been working trying to catch her own style
                                                                 And I can't have it, I won't have it
                                                                 One day someone will snatch me for their lady
With that I got her back my kettle's always boiling, snow is
                                                                 Ponte:
falling
                Bb
Hmmm, and it's truly freezing
                                                                 You know sometimes... See I find myself confused
                                                                 It's always "why this" and uh uh, "why that?"
See, have you ever heard the saying "it's just a game"?
Denny ain't been calling, he's got a family
                                                                                           Dm
But outside my door it still says: "Welcome on the floor
                                                                 Well, then one more why, why can't I start playing?
Refrão 1:
                                                                 Refrão 3:
Life is just a big ol' game to me
                                                                 Life is just a big ol' game to me
I'd like to be number one on your team
                                                                 I'd like to be number one on your team
Call me baby (Baby). Pick me up, baby girl (Baby)
                                                                 Call me baby (Baby). Pick me up, baby girl (Baby)
One day someone will snatch me for their lady...
                                                                 One day someone will snatch me for their lady...
Parte 2:
                                                                 I could never be you number two
The buds in their blooms now
                                                                 'Cause when you're not there I'm sure someone's loving you
                                                                              Dm7
But no letter's come from Lucy
                                                                 And I can't have it, I won't have it
She's deep in her book tryin' to bring down the words
                                                                 One day someone will snatch me for their lady...
But she's on my mind profusely, my sister Lucy...
                                                                 Life is just a big ol' game to me
                       Bh
The birds and the bees, they do their thing in trees
             Dm7
                                                                 I'd like to be number one on your team
While we're hustling, bustling, Rosalind's playing the game of
life
                                                                 Call me baby (Baby). Pick me up, baby girl (Baby)
Looking in a dark ligh for the answer to the questions, like
                                                                 One day someone will snatch me for their lady...
