Parte 1:

**Am**  
Fell in love with a boy  
I fell in love once and almost completely  
He's in love with the world  
And sometimes these feelings can be so misleading  
**E**  
He turns and says "are you alright"  
Oh, I must be fine 'cause my heart's still beating  
Come and kiss me by the riverside  
**D**  
Sarah says it's cool she dont consider it cheating

Refrão:

**Am**  
Ooh, ooh, ooh (4X)

Parte 2:

**Am**  
Red hair with a curl  
Mellow roll for the flavour and the eyes were peeping  
Can't keep away from the boy  
The two sides of my brain need to have a meeting  
**E**  
Can't think of anything to do  
My left brain knows all love is fleeting  
He's still looking for something new  
**D**  
I said it once before but it bears repeating
