

# Joss Stone - Less is More

Tom: C

Don't go sending me those three dozen roses  
 Don't you know that just one rose will do  
 Don't go trying to put diamonds on my fingers  
 Don't you know that I'm making money too

Don't go throwing those stones outside my window  
 You don't gotta be calling three times a day  
 'Cause if you do then when we get together  
 I'll be biting my lip 'cause there's nothing else left to say

Haven't you heard absence makes the heart grow fonder  
 Haven't you heard nothing good comes overnight  
 I'm telling you straight baby, just in case you wonder  
 It's turning me off, crowding me out its not right

Less is more  
 Back it up slow it down let it breathe  
 Cause you too much of a good thing can be bad  
 See we don't wanna go out like that  
 Less is more  
 Pull it back, hold it down, chill it out  
 If you want me to still be around  
 Remember

If you wanna be showing your affection  
 Don't you know a simple kiss will do  
 So many beautiful ways for love's expression  
 But I'm sorry to say your way ain't getting through

Haven't you heard a little space makes the heart grow fonder  
 Haven't you heard nothing good comes overnight  
 I'm telling you straight baby, just in case you wonder  
 It's turning me off, crowding me out its not right

Less is more  
 Back it up slow it down let it breathe  
 Cause you too much of a good thing can be bad  
 See we don't wanna go out like that  
 Less is more  
 Pull it back, hold it down, chill it out  
 If you want me to still be around  
 Remember

It would be something if I had a chance to be missing you  
 Too much for taking it's driving me crazy that's all you do  
 It needs rearranging It's so suffocating That I can't move  
 You gotta take two steps back Believe what they say It's true

Less is more  
 Back it up slow it down let it breathe  
 Cause you too much of a good thing can be bad  
 See we don't wanna go out like that  
 Less is more  
 Pull it back, hold it down, chill it out  
 If you want me to still be around  
 Remember

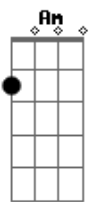

Gimme a chance to miss you Boy I don't mean to diss you,  
 but I tell you I need some space and still  
 you call me up three times a day  
 You know, baby you crowding me out  
 Haven't you heard less is more

Less is more, listen m' boy  
 Less is more
