

Joss Stone - Less is More

Tom: C

Am
 Don't go sending me those three dozen roses Em
Am
 Don't you know that just one rose will do Em
Am
 Don't go trying to put diamonds on my fingers Em
B B7
 Don't you know that I'm making money too

 Don't go throwing those stones outside my window
 You don't gotta be calling three times a day
 'Cause if you do then when we get together
 I'll be biting my lip 'cause there's nothing else left to say

Haven't you heard absence makes the heart grow fonder
 Haven't you heard nothing good comes overnight
 I'm telling you straight baby, just in case you wonder
 It's turning me off, crowding me out its not right

Am
 Less is more
Em
 Back it up slow it down let it breathe Am
 Cause you too much of a good thing can be bad
Em
 See we don't wanna go out like that
Am
 Less is more Em
 Pull it back, hold it down, chill it out B
 If you want me to still be around B7
 Remember

If you wanna be showing your affection
 Don't you know a simple kiss will do
 So many beautiful ways for love's expression
 But I'm sorry to say your way ain't getting through

Haven't you heard a little space makes the heart grow fonder
 Haven't you heard nothing good comes overnight
 I'm telling you straight baby, just in case you wonder
 It's turning me off, crowding me out its not right

Less is more
 Back it up slow it down let it breathe
 Cause you too much of a good thing can be bad
 See we don't wanna go out like that
 Less is more
 Pull it back, hold it down, chill it out
 If you want me to still be around
 Remember

It would be something if I had a chance to be missing you
 Too much for taking it's driving me crazy that's all you do
 It needs rearranging It's so suffocating That I can't move
 You gotta take two steps back Believe what they say It's true

Less is more
 Back it up slow it down let it breathe
 Cause you too much of a good thing can be bad
 See we don't wanna go out like that
 Less is more
 Pull it back, hold it down, chill it out
 If you want me to still be around
 Remember

Am Em
 Gimme a chance to miss you Boy I don't mean to diss you,
Am
