

Joss Stone - Right To Be Wrong

Tom: D
Intro: 2x: D Bm A G

Solo de introdução:

Verso 1:

I've got a right to be wrong

My mistakes will make me strong
out I'm steppin

into the great unknown
though I'm feeling wings

I've never flown
I've got a mind of my own

I'm flesh and blood to the bone

I'm not made of stone
Got a right to be wrong

so just leave me alone

Refrão:

I've got a right to be wrong
I've been down

too long
can I've got to break free
so that I

finally breathe
I've got a right to be wrong
got to sing my

own song
I might be singing out of key

but it sure feels good to me
I got a right to be wrong

so just leave me alone

Ponte:

You're entitled to your opinion
but it's really my decision

I can't turn back I'm on a mission
If you care don't you dare

blur my vision
Let me be all that I can be
Don't

smother me with negativity
Whatever's out there waiting for me

I'm gonna to face it willingly

Verso 2

I've got a right to be wrong
My mistakes will

so just leave me alone
