

Joss Stone - Right To Be Wrong

```
Intro: 2x: D Bm A G
                                                               smother me with negativity Whatever's out there waiting for
Solo de introdução:
                                                                I'm gonna to face it willingly
Verso 1:
I've got a right to be wrong
                                                               Verso 2
                                                                I've got a right to be wrong
                                                                                                            My mistakes will
My mistakes will make me strong
                                                  I'm steppin
                                                                make me strong
                                                                                              I'm stepping out into the
into the great unknown
                                        I'm feeling wings
though
                                                                great unknown
                                                                                      I'm feeling wing though I've never
  D
                                                               flown
I've never flown
                                  I've got a mind of my own
                                                                                 I've got a mind of my own
                          I'm flesh and blood to the bone
                                                                flesh and blood to the bone I'm not made of stone
I'm not made of stone
                                        Got a right to be
wrong
                                                                                                            so just leave me
                                                               I got a right to be wrong
                                                               alone
                      so just leave me alone
                                                               Refrão 2
Refrão:
                                                                I got a right to be wrong I've been held down to long
                   I've got a right to be wrong
                                                   I've been
                                                                I've got to break free
too long
                    I've got to break free
                                                   so that I
                                                                          I've got a right to be wrong
                                                                                                         aot to sina mv
finally breathe I've got a right to be wrong got to sing my
                                                                song I might be singing out of key
                                                                                                       but it sure feels

                                                                                                       tο
but it sure feels good to me I got a right to be wrong
                                                                                        so just leave me alone
              so just leave me alone
                                                                [Vocalização]
Ponte:
                                                                                            Got a right got a right
You're entitled to your opinion but it's really my decision
                                                                Got a right got a right
I can't turn back I'm on a mission If you care don't you
                                                               h = hammer on
                                                               p = pull off
                                                               / = slide
                                                               b = bend
                  Let me bee all that I can be Don't
blur my vision
                                                               ~ = vibrato
