

Joss Stone - Victim Of a Foolish Heart

Tom: Eb
Intro: Eb BbM Ab BbM Cm

Eb BbM Ab
Your scars were still showing
BbM Cm

When I first met you baby
Eb BbM Ab BbM Cm
From all the wrong she had done to you
Eb BbM Ab BbM Cm
Then I came along and applied a little lovin'
Eb BbM Ab BbM Cm
Slowly but surely I brought you through

Eb BbM Ab BbM Cm
Now she's back to rekindle that old flame
Cm BbM Ab
She's got a different angle baby
Ab Ab7
But she's playing the same old game

Eb BbM Ab BbM Cm
Baby don't be a victim of a foolish heart
Eb BbM Ab BbM Cm

Don't let her lies get next to you
Eb BbM Ab BbM Cm
She's just tryin' to tear us apart
Eb BbM Ab BbM Cm
She's tryin' to make me her victim too

Now I know she comes around here every time I leave
Because she knows she's still on your mind
Even a wise man jumps in misery somewhere down the line
But only a fool would jump the second time

Our affair is growing stronger everyday
Don't let her come and steal our happiness away

Baby don't be a victim of a foolish heart
Don't let her lies get next to you
She's just tryin' to tear us apart
She's tryin' to make me her victim too

Baby don't be a victim of a foolish heart
Don't let her lies get next to you
She's just tryin' to tear us apart
She's tryin' to make me her victim too
