

# Joss Stone - Victim Of a Foolish Heart

Tom: Eb  
Intro: Eb BbM Ab BbM Cm

Eb BbM Ab  
Your scars were still showing  
BbM Cm

When I first met you baby  
Eb BbM Ab BbM Cm  
From all the wrong she had done to you  
Eb BbM Ab BbM Cm  
Then I came along and applied a little lovin'  
Eb BbM Ab BbM Cm  
Slowly but surely I brought you through

Eb BbM Ab BbM Cm  
Now she's back to rekindle that old flame  
Cm BbM Ab  
She's got a different angle baby  
Ab Ab7  
But she's playing the same old game

Eb BbM Ab BbM Cm  
Baby don't be a victim of a foolish heart  
Eb BbM Ab BbM Cm

Don't let her lies get next to you  
Eb BbM Ab BbM Cm  
She's just tryin' to tear us apart  
Eb BbM Ab BbM Cm  
She's tryin' to make me her victim too

Now I know she comes around here every time I leave  
Because she knows she's still on your mind  
Even a wise man jumps in misery somewhere down the line  
But only a fool would jump the second time

Our affair is growing stronger everyday  
Don't let her come and steal our happiness away

Baby don't be a victim of a foolish heart  
Don't let her lies get next to you  
She's just tryin' to tear us apart  
She's tryin' to make me her victim too

Baby don't be a victim of a foolish heart  
Don't let her lies get next to you  
She's just tryin' to tear us apart  
She's tryin' to make me her victim too
