Vodka and a packet of cigarettes
That's all it used to be but now
You're sniffing on snow when you're feeling low
Suffocating dreams that could have been
Maybe for a minute I was down with that
But it didn't take long for me to see the light
     Αm
                    В
You swore you had control of it
But when I stepped back you slipped on your supply
