

Josué Rodrigues - Música Simples

tom:

Intro: G D Em7 D
G D Em7 D

Eu quero uma música simples bem fácil de se cantar

Que nesses momentos de crises

Me ajude a lembrar

Que em tempos piores que estes

Meu Deus, Tu livraste o Teu povo

E em dias de angústias e medo

Tens sido Deus maravilhoso

Eu quero a canção mais singela

Pra mente não se esquecer

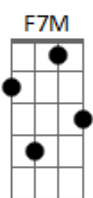

Nas lutas que a vida revela
Que Teu é o controle e o poder
Que abriste o mar pelo meio
Que as águas mandaste parar
E a fúria do vento que veio
Disseste assim: Sossegai!

Porque és Deus maravilhoso
Deus que os conselhos nos das
Eterno, Deus forte e formoso
Príncipe, princípio da paz
