

Josyara - Ouro&Lama

tom:

A

Prometeram ouro pra colher

Lama pra comer

Prometeram ouro pra comer

Lama pra varrer

Quanto vale o risco de andar sobre o campo minado?

Quanto vale ter que respirar o veneno no ar?

A fome da gente sustenta quem não quer terminar

Com sorriso sem dentes
Com estômago a roncar

Quanto vale ter que exterminar os povos, as matas?

Quanto vale ter que acabar com os bichos, as águas?

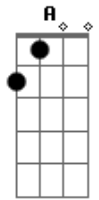

A erosão da minha fé

Desperdiçada desaba

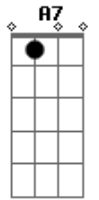

Nada vale minha crença

Nada vale sonhar
