

# Journey - All The Way

Tom: C  
Intro:

Verso 1:

I kiss you and I feel you pull away  
 It hurts me when I see you hesitate  
 Mistakes I've made, wish I could take them back  
 Say it's not too late to hear you

Refrão:

Speak your heart and I will listen  
 Don't hold back we'll find what's missin'  
 I'll take you all the way  
 Close your eyes and think forever  
 If you believe we go together  
 I'll take you all the way

Verso 2:

Sifting through the memories we have known  
 Looking back at places we have gone  
 Let's not leave behind what so few have found  
 Love ain't always easy so

Refrão:

Speak your heart and I will listen

Don't hold back we'll find what's missin'

I'll take you all the way  
 Close your eyes and think forever  
 If you believe we go together  
 I'll take you all the way

Ponte 1:

I'll take you all... the way  
 I'll take you all... the way  
 From the miles that come between us  
 Have faith in love and where it leads us  
 I'll take you all the way

(Solo)

Ponte 2:

Whoah...  
 I'll take you all the way

Ponte 3:

Whoah...  
 I'll take you all the way  
 From the miles that come between us  
 Have faith in love and where it leads us  
 I'll take you all the way
