

# Journey - Loved By You

Tom: C  
Intro:

Every time is like the first time tenderly  
 Loving you is like breathing spring  
 Seasons change but your heart beats constantly  
 Count my blessing every day as you love me  
 As the sunset disappears across the northern sky  
 You look for forever in my eyes  
 All that I can say as long as I have a voice  
 I'll thank God above that I was your first choice  
 If I should die before I wake  
 I'll go into the night whispering your name

If lying in your arms is the last thing that I do  
 At least I know that I'll be loved by you  
 In about a hundred years from now  
 When all of my love letters are found  
 And someone reads these words I've written only meant for you  
 They'll know how forever came true  
 Let the years roll on by  
 These are the best times of my life  
 I'll just smile when my days are through  
 Knowing that I've been loved by you  
 At least I know that I've been loved by you
