My email address is

The Reason I Tabbed this song is because I think its a good excersise on the fingers and pretty easy once you get the hang of it. There are a few parts that I was unsure of and find out where when you play this song, if you got any corrections just email me and me and I'll change it.

I am willing to tab any song by Joureny that I have in my music library. But I will only the song if there is enough people who want it tabbed or on special occasions I'll do for just one person. But to have me tab a song I have to have at least 15 to 20 emails as I can.

Thank You For reading this tab and please rate.
