Tom: G

Intro: (C Em)

(C Em)

It's been so long since I've seen her face... You say she's doing fine?

I still recall a sad cafe... How it hurt so bad to see her cry... I didn't wanna to say goodbye

(Em D C Am)

Send her my love... Memories remain

Send her my love... Roses never fade... Send her my love!

(C Em)

The same hotel... The same old room... I'm on the road again...

She needed so much more... than I could give

(Em Bm7 C)

Em Bm7

We knew our love could not pretend... Broken hearts can always mend!

(Em D C Am)

Send her my love... Memories remain

Send her my love... Roses never fade... Send her my love!

Callin' out her name, I'm dreamin'... Reflections of a face I'm seein'

That's the voice that keeps on haunting me...

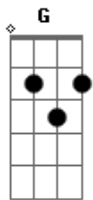

[Solo]: (Em D C Am)

(Em D C Am)

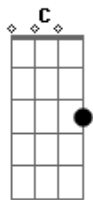

Send her... send her my love... Roses never fade...

Memories remain yeah... Send her... send her my love...
