

Journey - Suzanne

tom:

Intro: Eb Gm Bb

Eb Gm
I see your face at the movies
I hear your voice on the radio
You're makin' love on the silver screen
I want you more, I know
Temptation.....infatuation
Suzanne, don't walk away
On no Suzanne, oh girl I'm callin' you
Suzanne, so far away
Remember Suzanne, those summer nights with me
I wonder if you're really happy
And if you saw me, would you know my name
I'm the one you used to hold on to
You're the one who used to wear my ring
Remember...our last September
