

# Journey - Turn Down The World Tonight

Tom: A

<sup>A</sup>  
Caught up in the living... getting through each day

When all your tomorrows become faded yesterdays

<sup>D</sup>  
Are you slipping away

<sup>A</sup>  
Blinded by schedules... rushing here and there

Become strangers to each other... I miss you everywhere

<sup>D</sup>  
How did we get this way

<sup>E</sup> When the loneliness becomes too much to bear <sup>D</sup>

<sup>A</sup>  
Help me turn down the world tonight

<sup>D</sup>  
Take a quiet moment somewhere we can unwind

<sup>Gbm</sup>  
Losing touch... we forget to take time to share what's in our hearts

<sup>E</sup>  
Speak what's on our minds

<sup>Dbm</sup> In the silence hear your heartbeat next to mine <sup>D</sup>  
<sup>Bm</sup> <sup>D</sup> <sup>E</sup> <sup>A</sup>  
Baby help me turn down the world tonight

<sup>A</sup>  
So much information streaming at us fast

What I really need to know is if we can make it last

<sup>D</sup>  
I wanna keep you close

<sup>A</sup>  
We make commitments... take responsibility

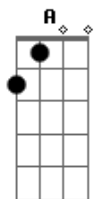

Why do we let them come between you and me

<sup>D</sup>  
That's when I miss you most

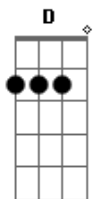

<sup>E</sup> We gotta take this night... knowing our love won't wait <sup>D</sup>  
<sup>Bm</sup> <sup>D</sup> <sup>E</sup>  
Before our moment is gone... baby say it's not too late <sup>E</sup>

<sup>Dbm</sup> <sup>D</sup>  
Far beyond the noise with your body next to mine  
<sup>Bm</sup> <sup>D</sup> <sup>E</sup> <sup>A</sup>  
Won't you help me turn down the world tonight
