

Journey - When You Love a Woman

```
Tom: Db
                                                               You know she's standin' by your side
  Db
In my life I see where I've been
                                                               A joy that lasts forever
                          Ab4
                                                                                            Ab4
I said that I'd never fall again
                                                               There's a band of gold that shines waiting somewhere...oh yeah
Within myself I was wrong
                          Gh
                                 Ab4 Ab
                                                               It's enough to make you cry
My searchin' ain't over...over
                                                                Ab
I know that
                                                               When you see her walkin' by
                                                                Ab
                                                               And you look into her eyes
When you love a woman
                                                                ( Ab Gb Ab Gb )
You see your world inside her eyes
                                                               Orquestra e Solo: Db Fm Bbm Ab4 Ab (3x)
When you love a woman
                        Bbm
                                                               Dh
You know she's standin' by your side
                                                               When you love a woman
A joy that lasts forever
                                                               You see your world inside her eyes
                             Ab4
                                            Ab
There's a band of gold that shines waiting somewhere...oh yeah When you love a woman
                                                               You know she's standin' by your side
If I can't believe that someone is true
                                                                 Gb
                                                               A joy that lasts forever
                          Ab4
To fall in love is so hard to do
                                                                                            Ab4
                                                               There's a band of gold that shines waiting somewhere...oh yeah
I hope and pray tonight
                              Gb
Somewhere you're thinkin' of me girl
                                                               When you love a woman
     Ab4 Ab
                                                                            Ab
Yes I know...I know that
                                                               When you love love love
                                                               When you love a woman
When you love a woman
                                                               You see your world inside her eyes
You see your world inside her eyes
                                                               ( Db Gb Db )
