

Jovelina Pérola Negra - O Dia Se Zangou

Tom: C

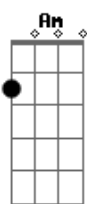

(intro) Am D7 Bm C D G
 Em virtude do tempo hoje não há futebol
 Veio uma chuva de vento, e levou pra bem longe o sol
 O que se vai fazer à tarde sem lazer
 Numa noite tão fria
 E eu, esperei lua cheia
 E eu, esperei lua cheia
 Quem pensou em passar o final de semana

Deitado na areia de Copacabana, também se enganou
 É! Quem pensou no pagode do para quem pode
 Já viu que não pode ficou na saudade, o tempo fechou
 Bem cedo anuviou o céu escureceu
 O dia se zangou....então choveu, choveu
 Temporal baixou e a cidade se alagou
 Temporal baixou e a cidade se alagou
 Em virtude do tempo!
