

Jovi Barboza - Skyline Pigeon

Tom: D

D D A G A
 Turn me loose from your hands let me fly to distant
 lands
 E G A D
 Over green fields, trees and mountains flowers and forest
 fountains
 G A D
 Home along the lanes of the sky away
 D A G A
 For the dark and lonely room projects some shadows castin'
 gloom
 E G
 And my eyes are mirrors of the world outside
 A A7 D
 Thinking of the way that the wind can turn the tide
 G A7 D
 And these shadows turn from purple into grey
 G A A7
 D
 For just a skyline pigeon dreaming of the open, waiting for
 the day
 G A D Gb
 That he can spread his wings and fly away again

A Bm Db Gbm G
 Fly away skyline pigeon fly towards the dreams you've left so
 very far behind
 D A7
 Let me wake up in the morning to the smell of new-moun hay
 G A7 D
 To laugh and cry, to live and die in the brightness of my day
 E G
 I wanna hear the pealing bells of distant churches sing
 D A7 D
 But most of all please free me from this aching metal ring
 G A7 D
 And open out this cage rowards the sun
 G A7
 D G A7 D Gb
 For just a skyline pigeon dreaming of the open, waiting for
 the day
 G A7 D Gb
 That he can spread his wings and fly away again
 A Bm Db Gbm G
 Fly away skyline pigeon fly towards the dreams you've left so
 very far behind
