

# Jovi Barboza - You Made It Right

tom:

E

I got a moon out my window in the night  
 And I got a sun out my doorway when it is light  
 I got stones on the mountain and the clear blue winds wet sky  
 Thank You Loooord, You made it right, You made it right  
 And I got a woman to love me when I'm gone  
 And I got stars to find me the way back home  
 I got rain in the morning when I'm stranding and all alone

Thank You Loooord, You made it right, You made it right  
 I've been standin' on the hillside in the night  
 I've been singin' 'bout the good things and the life  
 There's a new star on the horizon  
 And it nearly fills the sky  
 Thank You Loooord, You made it right, You made it right  
 There's a new star on the horizon  
 And it nearly fills the sky  
 Thank You Loooord, You made it right, You made it right
