

Joy Again - Looking Out For You

tom:

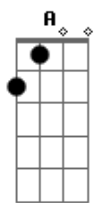

A
[Primeira Parte]

A Gbm
I guess I should stop
Dbm Bm
Looking out for you
Dbm
Like I always do
A Gbm
When will you
Dbm Bm
Start looking out for me too
Dbm
Instead of leaving me staring at my shoes
A Gbm Dbm
Just the way you're glancing at me
Bm
Something about you
Dbm
Just makes me feel guilty for
A Gbm
Liking you
Dbm Bm
When you're with him
Dbm
When you're with him

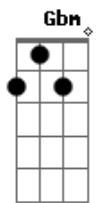

[Refrão]

D Dbm Bm
This is a love song for a girl
Bm
Who will never know it's about her
D Dbm
Know it's pretty stupid
Bm
But I'm much too shy to tell her
D Dbm Bm
She's beaming that smile all the while
D Dbm E
I'm all tripped up on my own throat
