

## Joy Division - Exercise One

Tom: **D**

Intro: (Feedback for about a minute)

To get the tone when Barney plays the chords, use a little bit of delay and chorus.

NOTE: Any Xs are to show a staccato, not a mute ;)

After the Feedback

Listen to the song for the timing

Then the riff...(x2)

Then these chords that are strummed once then staccato

Riff again...(x2)

Verse chords again...

Then the cut out at the weirdest of places...

That's it really...very simple, yet effective ;)
