Letra da música:

Radio, live transmission
 Radio, live transmission
 Listen to the silence, let it ring on
 Eyes dark, relentless, frightened in the sun
 We would have a fine time living in the night
 Be left a blind destruction waiting for our sight, sight
 We would go on as though nothing was wrong
 Hide from these days to remain all alone
 Staying in the same place, just staring at the tide
 Touching from a distance, further all the time
 Dance, dance, dance, dance, dance to the radio (4X)

Well I could call out when the going gets tough
 The things that we've learned are no longer enough
 No language, just sound is all we need now
 To synchronise love to the beat of the show
 And we could dance
 Dance, dance, dance, dance, dance to the radio (4X)
