

# JP Cooper - In The Silence

tom:

Intro: G G7M G

[Primeira Parte]

G  
I've been seeking silver linings  
C2  
Feeling incomplete  
G G G  
Singing oh oh I wish you didn't taste so bittersweet  
G G G  
So enamored, stutter, stammered, oh my voice was broke  
G G  
Like a poor man stood before the queen  
G G  
I tripped over my tongue before I spoke

[Refrão]

G D D  
And though I never said it with words  
G G  
It was love in the silence  
G D D  
Even now after all of these years  
G G  
You're the light in my darkness

[Segunda Parte]

G  
Used to share that feeling, dreaming,  
C2  
gazing at the bedroom ceiling  
G G G  
Oh oh now I lay here wishing you'd come home

[Refrão]

G D D

And though I never said it with words

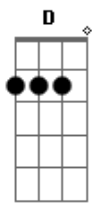

G G  
There was love in the silence  
G D D  
Even now after all of these years  
G G  
You're the light in my darkness  
G  
Darling please  
D D  
Listen close and you'll hear  
G G  
There's still love in the silence  
G D D  
Even now after all of these years  
G G  
I feel love in the silence

[Ponte]

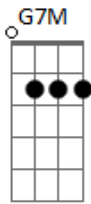

G G D D  
Oh ooh  
G G D D  
Oh ooh

G D D  
And though I never said it with words  
G G  
There was love in the silence  
G D D  
Even now after all of these years  
G G  
You're the light in my darkness  
G  
Darling please  
D D  
Listen close and you'll hear  
G G  
There's still love in the silence  
G D D  
Even now after all these long years  
G G  
I feel love in the quiet
