

JP Cooper - September song

Tom: D

Primeira Parte:

Our love was as strong as a lion
 Soft as the cotton you lie in
 Times we got hot like an iron
 You and I
 Our hearts have never been broken
 We were so innocent darling
 We used to talk 'til the morning
 You and I

Pré-Refrão:

We had that mixtape on every weekend
 Had it repeating
 Had it repeating

Refrão:

You were my September song
 Summer lasted too long
 Time moves so slowly
 When you're only fifteen

You were my September song
 Tell me where have you gone?
 Do you remember me?
 We were only fifteen

Segunda Parte:

Sometimes I think that I see you
 Face in the strangest of places
 Down on the underground station
 Passing by
 I get a mad sense of danger
 Feel like my heart couldn't take it
 Cause if we met we'd be strangers
 You and I

Pré-Refrão:

Still I play that mixtape every weekend
 Got it repeating
 Got it repeating

Refrão:

You were my September song
 Summer lasted too long
 Time moves so slowly
 When you're only fifteen

You were my September song
 Tell me where have you gone?
 Do you remember me?
 We were only fifteen

And I-I-I,
 I remember the chorus
 They were singing it for us

I hear that September song
 That I'm singing along
 Thinking 'bout you and me
 Oh, what a melody

Ponte:

And as the years go by
 You will still be my-yyy, be my
 You are myyyyyyyyyyyyyyyyyyy

Refrão:

You were my September song
 Summer lasted too long
 Time moves so slowly
 When you're only fifteen

You were my September song
 Tell me where have you gone?
 Do you remember me?
 We were only fifteen

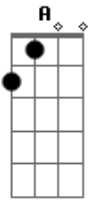

And I-I-I,
 I remember the chorus
 They were singing it for us

You were my September song
 I remember the chorus
 They were singing it for us
