I've never called her by your name

A

A

[Refrão]

E

I don't miss you, I just fantasize about you being someone who loves me

Dbm

I can't help it, how I dream as if you're painted on the back of my eyes

E

I don't miss you, I just think about you all the time

A

I just think about you all the time

[Segunda Parte]

E

I can't say that I expected

A

Just how many moments where we'd still be so connected

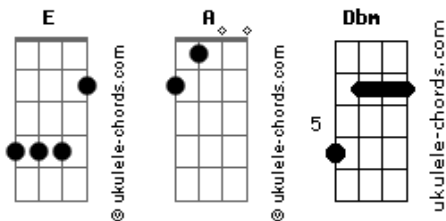

Dbm

You sneak up on my imagination

A

And the worst possible situations
