

# J.T. Roach - Symmetry (feat. Emily Warren)

tom:

Db (forma dos acordes no tom de B )

Capostrate na 2ª casa

Intro: A Dbm7 E Badd9

Badd9 A  
Heard your voice in my head

Dbm7 E  
Saying: Don't be afraid to tell the truth

A  
Now I'm laying in bed

Dbm7 E  
All alone, and I can hardly move

Badd9  
Thinking what I've done

A Dbm7  
But we play games

E  
And we make shapes

Badd9  
On different sides

A Dbm7  
And we prefer

E  
All our colors

Badd9  
Outside the lines

A Dbm7  
We fight each other like oil and water

E Badd9  
But you and me got chemistry

A Dbm7  
And if we scatter, it doesn't matter

E Badd9  
'Cause you and me got symmetry

( A Dbm7 E B (Badd9 ) )

A Dbm7  
When you talk like you do

Dbm7 E  
You should know it shows up on my face

B  
When you're not around

A  
But I'll break all the rules

Dbm7 E  
If you hold me, and you tell me all the ways

B (Badd9 )  
You'll take away the doubt

A Dbm7  
But we play games

E  
And we make shapes

Badd9  
On different sides

A Dbm7  
And we prefer

E  
All our colors

Badd9  
Outside the lines

A Dbm7  
We fight each other like oil and water

E Badd9  
But you and me got chemistry

A Dbm7  
And if we scatter, it doesn't matter

E Badd9  
'Cause you and me got symmetry

A Dbm7 E Badd9  
Oh, oh, you and me got symmetry

A Dbm7 E Badd9  
Oh, oh, you and me got symmetry
