

J.T. Roach - Symmetry (feat. Emily Warren)

tom:

Db (forma dos acordes no tom de B)

Capostrate na 2ª casa
Intro: A Dbm E Badd9

Badd9 A
Heard your voice in my head

Dbm E
Saying: Don't be afraid to tell the truth

A
Now I'm laying in bed

Dbm E
All alone, and I can hardly move

Badd9
Thinking what I've done

A Dbm
But we play games

E
And we make shapes

Badd9
On different sides

A Dbm
And we prefer

E
All our colors

Badd9
Outside the lines

A Dbm
We fight each other like oil and water

E Badd9
But you and me got chemistry

A Dbm
And if we scatter, it doesn't matter

E Badd9
'Cause you and me got symmetry

(A Dbm E B (Badd9))

A Dbm
When you talk like you do

Dbm E
You should know it shows up on my face

B
When you're not around

A
But I'll break all the rules

Dbm E
If you hold me, and you tell me all the ways

B (Badd9)
You'll take away the doubt

A Dbm
But we play games

E
And we make shapes

Badd9
On different sides

A Dbm
And we prefer

E
All our colors

Badd9
Outside the lines

A Dbm
We fight each other like oil and water

E Badd9
But you and me got chemistry

A Dbm
And if we scatter, it doesn't matter

E Badd9
'Cause you and me got symmetry

A Dbm E Badd9
Oh, oh, you and me got symmetry

A Dbm E Badd9
Oh, oh, you and me got symmetry
