Em G Am  
We can play pretend it's not over  
Em G Am  
Like we could find a way to fix things up  
Em G Am  
Said that you love me and wanted me closer  
Em G Am  
But tell me what the heck do you call love?  
Am  
We should just  
Em G Am  
Slow down, slow down  
Am  
(Parapapara)  
Em G Am  
Slow down, slow down  
Am  
For now we should just  
Em G Am  
Slow down, slow down  
Am Em  
Tell my baby that one day  
G Am  
I wanna have her back around

Em G Am  
We should just stop assuming things  
Am  
You know what it means

Em G Am  
And since you're the one who's been  
Am  
Hitting my phone when I'm all alone  
Em G Am  
I know I need some time baby, I do

Em G  
Some time away from you  
Am  
And everything you do  
Em  
That just turns me down  
G Am  
Yeah, you turn me down

Em  
Shouldn't be avoiding places  
G Am  
'Cuz now you own this town  
Em G  
Are you happy now?  
Am  
You should hear me out (you should hear me now)

Em  
Been through all the stages  
G Am  
Guess now I own the crown  
Am Em G  
Would you help me out?  
Am  
Let me tell you how  
Em G  
I guess I found a way  
Am  
Just let me say it (out loud)

Am  
We should just  
Em G Am  
Slow down, slow down  
Am  
(Parapapara)  
Em G Am  
Slow down, slow down  
Am  
For now we should just  
Em G Am  
Slow down, slow down  
Am Em  
Tell my baby that one day  
G Am  
I wanna have her back around

Em G Am  
We can play pretend we're the same  
Am  
We used to be  
Em G  
Or we can be  
Am  
Or we won't be  
Am  
Don't know what we should be  
Em G  
Just set me free  
Am  
Would you set me free?

Em G  
We can find a way  
Am  
If you wanna find a way  
Em G  
I'll meet you again someday  
Am  
I'll meet you again

Am  
We should just  
Em G Am  
Slow down, slow down  
Am  
(Parapapara)  
Em G Am  
Slow down, slow down  
Am  
For now we should just  
Em G Am  
Slow down, slow down  
Am Em  
Tell my baby that one day  
G Am  
I wanna have her back around
