

Ju Rodrigues - Omulú Meu Pai, Obaluaê.

tom:

G

Omolu, meu pai, obaluaê
 Omolu, meu pai, obaluaê

Silêncio agora vem ouvir
 Avós da alma iluminando a ti

No escuro por vezes me perdi
 Agora tenho toda a luz em mim

Andei, mas andei
 Ah, quanto passo!
 Na estrada escura da vida
 Em luz me traço

Vento levanta a palha

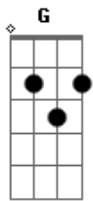

Brilha o sol!
 Abra as portas, abra as janelas
 Pra luz entrar!

Atotô, meu pai!
 Atotô, meu pai!
 Vem caminhando
 Bem devagar

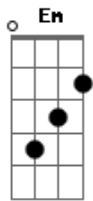

Atotô, meu pai!
 Atotô, meu pai!
 Nunca me falta luz
 Nesse altar

Omolu, meu pai, obaluaê
 Omolu, meu pai, obaluaê
