

# Juçara Marçal - Ciranda do Aborto

Tom: E

m **Em**  
Passa na carne a navalha  
Se banha de sangue

Sorri ao chorar **Am**

Cobre o amor na mortalha **Em**

Pra ele não acordar **Gb**

**Em**  
Sente no fel deste beijo  
O agouro da morte

A se revelar **Am**

A vida sem endereço **Em**

E sem lugar pra ficar **Gb**

**Em** **Am**  
Vem despedaçado

**Em** **Am**  
Vem, meu bem querer

**Em** **Am**  
Vem aqui pra fora  
**F** **B**  
Vem me conhecer

**Em** **Am**  
A ferida se abriu

**Em** **Am**  
Nunca mais estancou

**Em** **B**  
Pra você se espalhar

**Em**  
Laceado

**Em** **Am**  
Mas o chão te engoliu

**Em** **Am**  
Toda a lida findou

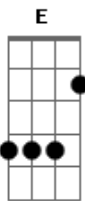

**Em** **B** **Em**  
Pra você descansar no meu braço

No meu braço **Am**

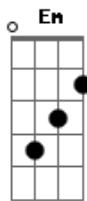

Aos pedaços **Em**

( **Am** **Em** )
