

Juçara Marçal - João Carranca

Tom: B

m

Guaraci vadiava e só fazia isso
 Foi sempre a rainha da boca do lixo
 Mas o tempo passou e ela envelheceu
 Usou e gastou o corpo que deus lhe deu

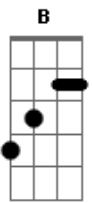

Nunca teve café
 Nem leão de chácara
 Apenas uma navalha
 Banca e sustenta o menino

Que ainda cheira a leite
 E nem tem pelo na cara

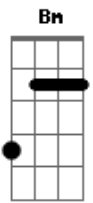

Mas tudo desandou depois do dia
 Em que ele resolveu causar suspiro nas mocinha
 E a velha enciumada
 Retalhou o rosto do rapaz

E o que era belo
 Agora espanta
 E nome dele hoje é João Carranca
