

# Judas Priest - A Touch Of Evil

Tom: **A**

Keyboards intro

repeat alot ahah

ok thr last part goes sonthing like this i cant really hear it

around were rob says i taste the fear he they play this

Chorus

i out sum lyrics so u dudes wouldent get confused here  
ahahahah

In the night                      come to me      you know i want your

touch of                              slide to 8                      dip the whammy bar  
   or bend like i did

slide again

repeat the verses again

then the chorus

the heres the interlude

now repeat this

solo?

bend down slowly

main solo part now!!!!

bend or use ur bar ahaha

t

t

now heres

arousing with the since of disiare

ahahahahahaha

possesing                      soul

fire

reapet the verses

then chourus

the ur done!!!!!!!!!!!!!!

## Acordes
