Em G D
They say we are fools,
We say look at you

Long ago
We're just a few
Still say we don't need you

[Chorus]
We don't wanna belong, we said all along
We just wanna be left alone
We don't wanna belong, we said all along
We just wanna be left alone

Think that we must have lost our way
Running from the blaze
You were wrong
Chose our course
Counted up the days
Enduring inner rage
We got strong

[Chorus]
We don't wanna belong, we said all along
We just wanna be
We don't wanna belong, we said all along
We just wanna be

You denied everything that's good
Reacting as you would
With your shame
So we turned
And left you all behind
We don't need your kind
You're to blame

[Chorus]
We don't wanna belong, we said all along

We just wanna be
[Chorus]
We don't wanna belong, we said all along
We just wanna be

In years to come
You'll hear my name
When darkness falls
On Judgment Day...ay ah
