Bm
I learned the hard way

That what you dream for
A
Comes from the pain you hold inside
Bm
I'm on a long road
Bm
There is no answer
A
You have to hold the love you find
G
I'd wait so helpless
G
But love was waiting
A
Just like an angel in the dark

[Refrão]

Bm
Heavy is the crown of horns that
A
Rests upon this head
Bm
Heavy is the crown of horns from all

The blood he shed

Rests upon this head
Bm
Heavy is the crown of horns from all
A
The blood he shed

[Segunda Parte]

Bm
The days seemed endless
Bm
No sense of calling
A
Until the daylight came to be
Bm
I thought of rapture
Bm
To end this capture
A
Then something grew inside of me
G
I found my way now
G
And I am soaring
A
Almost touching every star
