

Judas Priest - Diamonds and Rust

Tom: G

Afinação: D G C F A D

Solo, Intro e Meio:

Verso 1:

Em
Well I'll be damned
Here comes your ghost again
But that's not unusual
It's just that the moon is full
And you decided to call

Em
And here I sit
Hand on the telephone
I'm hearing a voice I'd know
A couple of light years ago
Heading straight for a fall

Refrão 1:

C **D**
We both know what memories can bring
They bring diamonds and rust (2x)

Bm
Now I see standing with brown leaves falling all around
And snow in your hair
Now you're smiling out of the window of that crummy hotel
Over Washington square
Our breath comes out of white clouds

Mingles and hangs in the air
F7M
Speaking stricity for me
We both could have died then and there
(na versão ao vivo vai para o solo)

(o verso 2 não é cantado na versão ao vivo, pule para o refrão 2)

Verso 2:

Em
Now your telling me
Your not nostalgic
Then give me another word for it
You who are so good with words
And keeping things vague
Em
'Cos I need some of that vagueness now
It's all come back too clearly
Yes I loved you dearly
And if you're offering diamonds and rust
I've already paid

Refrão 1:

C **D**
We both know what memories can bring
They bring diamonds and rust (2x)

Refrão 2:

C **D** **Em**
Diamonds, diamonds and rust

4x na versão de estúdio
6x na versão ao vivo
