

Judas Priest - Heading Out To The Highway

Tom: D

[intro riff](4x)

Well I've said it before, and I'll say it again
 You get nothin' for nothin', expect it when
 You're back seat drivin' and your hands ain't on
 the wheel
 It's easy to go along with the crowd
 And find later on that your say ain't allowed
 Oh that's the way to find what you've been missin'

[chorus]:

So I'm heading out to the highway
 I got nothin' to lose at all
 I'm goin' to do it my way
 Take a chance before I fall

A chance before I fall

[intro riff](1x)

You can hang in a left or hang in a right
 The choice it is yours to do as you might
 The road is open wide to place your biddin'
 Now, wherever you turn, wherever you go
 If you get it wrong, at least you can know
 There's miles and miles to put it back together

[chorus]

[bridge](4x)

On the highway...
 On the highway...

[lead break]

Makin' a curve or takin' the strain
 On the decline, or out on the wain
 Oh everybody breaks down sooner or later
 We'll put it to rights, we'll square up and mend
 Back on your feet to take the next bend
 You weather every storm that's comin' at cha

And I'm heading out to the highway
 I got nothin' to lose at all
 I got nothin' to lose at all...

[ending]: just the part1 of the intro riff played slowly.
