Intro: (x2) K.K. comes in the 2nd time and plays the power chords above the 'staff'

Verse (both guitars)

Pre-chorus

Here Glenn plays something along the lines of

Can't really tell what K.K. is playing, you can just substitute it by these power chords

Out of control, about to explode

It's co - min' at ya

Chorus

Here comes the metal meltdown Run for your lives
Can't stop the metal meltdown No one survives

Verse

Pre-chorus

Chorus

Bridge

Temperature is boiling...

Solo backing

Glenn plays it first, then K.K.

Then Glenn plays this, followed by K.K.

(x2)

Harmony part (I am kind of unsure about Glenn's part). Listen to the record to see what is the palm muting pattern.
