Lyrics:

Howling wind keeps screaming round  
And the rain comes pouring down  
Doors are locked and bolted now  
As the thing crawls into town

Pre Chorus:

Straight out of hell  
One of a kind  
Stalking his victim  
Don't look behind you

Chorus:

Nightcrawler,  
Beware the beast in black  
Nightcrawler,  
You know he's coming back  
Nightcrawler

Sanctuary is being sought  
Whispered prayers a last resort  
Homing in its cry distorts  
Terror struck they know they're caught

Pre Chorus:

Straight out of hell  
One of a kind  
Stalking his victim  
Don't look behind you

Chorus:

Nightcrawler,  
Beware the beast in black  
Nightcrawler,  
You he's coming back  
Nightcrawler

As night is falling  
The end is drawing near  
They'll hear  
Their last rites echo in the wind

Interlude:

Huddled in the cellar  
Fear caught in their eyes  
Daring not to move or breathe  
As the creature cries  
Fingernails start scratching  
On the outside wall  
Clawing at the windows  
"Come to me" it calls  
Atmosphere's electric  
As it now descend the stairs

Hiding in the darkness  
Is so futile from its glare  
Death comes in an instant  
As they hoped it would  
Souls ascend to heaven  
While it feasts on flesh and blood
