

# Juice Wrld - Hide (feat. Seezyn)

Tom: G

Need a drink? (hoo, ayy, ayy)  
 Found my home (hoo, ooh, hoo, oh)  
 She make me leave the thrills at home and i'm fine  
 Really think i found my home, shorty made me feel at home  
 She made me leave the thrills at home and i'm fine with it  
 She really made me lose control, i'ma let my love unfold  
 We're just two lost souls, but we're fine with it  
 There's love at my front door, short notice  
 She not like the same girls, i noticed

Think i met my soulmate, yeah, i know it  
 When it gets dark outside, in you i confide  
 You help me face my demons, i won't hide, hide  
 Girls like you are hard to find  
 I hope you don't mind, if i give you the time of your life, life  
 Life  
 Really think i found my home, shorty made me feel at home  
 She made me leave the thrills at home and i'm fine with it  
 She really made me lose control, i'ma let my love unfold  
 We're just two lost souls, but we're fine with it
