[Refrão]

Am G
 I still see your shadows in my room
 F E
 Can't take back the love that I gave you
 Am G
 It's to the point where I love and I hate you
 F E
 And I cannot change you, so I must replace you, oh
 F E
 Easier said than done

I thought you were the one

Listenin' to my heart instead of my head

You found another one

But I am the better one

I won't let you forget me
