

Juice Wrld - Maze

Acordes

```
Ride a dirt bike down the ditch, see if I live
I'm not in my subconscious, I'm conscious
They tell me that they can help me, I got this
Watch this, I took my demons into the bank of life and I made
the biggest deposit
Without drugs, I'm losing my logic
These pills and my Pro Tools still got logic
I run, I run, I run
  Gb
I run, I run, I run
[Refrão]
Bm

Everything's okay but it's not really okay

My life's a death race
I'm numbing my pain with codeine rain

Life's not the same
Stuck in a maze

I'm not going in
My brain is going everywhere
