tom:

Intro: G  
 Man, what? (Haha)  
 This shit funny

Oof, this Hennessy strong as fuck, boy  
 [Refrão]

She told me put my heart in the bag (in the bag)  
 And nobody gets hurt (nobody)  
 Now I'm running from her love, I'm not fast (fast)  
 So I'm making it worse (making it worse)  
 Now I'm digging up a grave, from my past  
 I'm a whole different person (I'm a whole different person)  
 But I cannot reverse it

[Primeira Parte]

I can't reverse it  
 It was a gift and a curse  
 And now I'm drinkin' too much, so I'ma talk with a slur  
 Last time I saw you, it ended in a blur  
 I woke up in a hearse  
 She said, "You loved me first" (first)  
 One thing my dad told me was, "never let your woman know when you're insecure"  
 So I put Gucci on the fur  
 And I put my wrist on iceber

One thing my heart tells me is  
 "Flex on a ho every time they're insecure"  
 Ooh, I'm running from you  
 Is your love for real? (For real? For real?)  
 Is your love really true?  
 [Refrão]

 But I cannot reverse it

[Ponte]

You gave me the runaround  
 I really hate the runaround  
 You really got me paranoid  
 I always keep a gun around  
 You always give me butterflies  
 When you come around  
 When you come around  
 When you come around  
 [Segunda Parte]

You let me know love is not the answer  
 Not the answer, not the answer  
 I love to do drugs so mind my manners  
 I get high when you don't decide to answer  
 Phone home, I need to phone home  
 I'm throwing rocks at your window, I need to go home  
 I don't wanna leave  
 I just wanna be with you  
 You, you, you  
 [Refrão]
